City of Melbourne Lord Mayor and 9 Councillors Elections

**TIME FOR A CHANGE:
THE DOYLE REIGN MUST END.
Every Resident vote Counts**

WHEN YOU VOTE PUT THE DOYLE TEAM LAST.

There are TWO Ballot Papers to complete:
one for the Leadership Team: Lord Mayor and Deputy Lord Mayor
one for Election of 9 Councillors.

Our Recommendations is as follows:

Leadership Team Ballot Paper

Election of Lord Mayor & Deputy Lord Mayor

** The Doyle Team **must** be numbered last.

** Number ALL of the other boxes in whatever order you prefer although it is our view that the teams that provide the best Councillors for the City of Melbourne are as follows.

1. **Morgan Team**
2. **Greens Team**
3. **Cleary Team**
4. **Ong Team**
5. **Hunt Team**
6. **Van der Craats Team**
7. **Doyle Team**

Election of 9 Councillors Ballot Paper

Complete only by numbering the teams above the line. Numbering individual Councillors below the line then becomes unnecessary.

Number the teams above the line in the same way you did with the Leadership Teams and again **PUT THE DOYLE TEAM LAST**

It is time for a change, after eight years of Lord Mayor Robert Doyle, and in particular the last four years following his and his team's receipt of over \$400,000 in donations in 2012.

By including nine councillor candidates in his team it is apparent that once again Cr Doyle wants to exercise substantial control over the conduct of Council which in the view of the Melbourne South Yarra Residents Group Inc must not happen. Remember, there are only nine Councillor positions plus Lord Mayor and Deputy. By fielding 9 candidates Doyle aims to have a strong majority in council

If we are to improve the quality and performance of our Council and reduce the influence of developers and gaming, there MUST be a change and we encourage you, after considering the issues carefully, to vote in the way we believe will produce the best outcome for the City of Melbourne.
