## Residential Parking Permits

### CHANGES TO PROTECT RESIDENTIAL PARKING SPACES ON SOUTH YARRA STREETS

You have received, or will shortly receive, from the City of Melbourne a letter informing you of proposed changes to the issuing of residential parking permits in South Yarra.

At the present time if a dwelling is demolished or changed and replaced with a multi-residence building each of the new residents is entitled to a parking permit even if the development includes on-site parking.

At MSYRG request the City of Melbourne intends to change the rules to stop that occurring and prevent a further and unreasonable encroachment upon resident's street parking spaces. **The residents living in new multi-residence building will not be entitled to a residential parking permit**

We urge you , therefore, to respond to that letter by informing Mr Ross Goddard ([ross.goddard@melbourne.vic.gov.au](mailto:ross.goddard@melbourne.vic.gov.au) /direct phone 96589632) that you support the change and thank him for considering the interests of the residents of South Yarra.
